__utma, __utmb, __utmz	Webanalytics Cookie from Google Analytics enabling to collect statistical and anonymous information about Site navigation (notably seen pages, date, time and duration of connexion).
__55	Web analytics Cookies enriching Google Analytics Data (custom var).
X-Mapping-bilheio	Traffic Manager Cookie

You can disable Cookies in your web browser. However, this may disable all cookies used by your browser, including those from other websites, which may cause certain settings or information to be altered or lost. Disabling cookies may change your browsing experience on the Site, or may make navigating around the Site more difficult.

You can disable cookies in your web browser as follows:

Microsoft Internet Explorer 6.0 and above:

1. Go to "Tools", then "Internet Options".
2. Click on the "Privacy" tab.
3. Use the cursor to select the level you require.

Microsoft Internet Explorer 5:

1. Go to "Tools", then "Internet Options".
2. Click on the "Security" tab.
3. Select "Internet", then click on "Custom Level".
4. Under "cookies", select the option you want.

Netscape 6.x and 7.x:

1. Click the "Edit" menu, then "Preferences".
2. Privacy and security.
3. Cookies.

Firefox:

1. Go to "Tools", then "Options".
2. Click on the "Privacy" setting.

Safari 3.x for Mac OS X:

1. Click the "Edit" menu.
2. Click the "Preferences" option.
3. Click the "Security" option.
4. Click "Display cookies".

Chrome

1. Select Settings.
2. Click Show advanced settings.
3. In the "Privacy" section, click the Content settings button.
4. In the "Cookies" section, you can change the cookies settings.
